

Admission to Ph.D. Programme, 2017 – 2018 (Autumn)

About CPS

Policy studies is a relatively nascent discipline in India. Given the increasing complexities of the economy, technology and Governance, it is imperative that this discipline takes firm roots in our polity and the society. Academic community has an important role to play in this regard. In order to connect the academics, the analysts and the policy practitioners, the Centre for Policy Studies at IIT Bombay has initiated its Doctoral programme from 2017.
